Graphic Designer

JOB DESCRIPTION

Emapta

PHILIPPINES | SRI LANKA | COLOMBIA | MACEDONIA | MALAYSIA
STRATEGIC NETWORK OF 18 OFFICES ACROSS THE GLOBE

Design the Visual Identity Behind New Zealand's Professional Basketball Legacy

Bring your creativity courtside without leaving home. As a Graphic Designer, you'll create compelling sports campaign visuals, promotional posters, and membership and ticketing materials for a professional New Zealand basketball club. Turn the excitement of game day into memorable designs that connect fans with their team, support ticket sales, and strengthen your international creative career with Emapta.

Your Creative Career, Courtside and Beyond

Employment Type: Full-time
Shift: Night Shift, Weekends Off
Work Setup: Work From Home

Exciting Perks Await!

- Day 1 HMO coverage with free dependent
- Competitive salary package
- Night differential pay to maximize your earnings
- Permanent WFH arrangement
- Fixed weekends off
- Salary Advance Program through our banking partner (eligibility and approval subject to bank assessment; available to account holders with a minimum of 6 months' company tenure)
- Unlimited upskilling through Emapta Academy courses (Want to know more? Visit: https://emapta.com/training-calendar/)
- Free 24/7 access to our office gyms in Ortigas and Makati, with a free physical fitness trainer!
- Exclusive Emapta Lifestyle perks (hotel and restaurant discounts, and more!)
- Unlimited opportunities for employee referral incentives across the organization
- Standard government and Emapta benefits
- A total of 20 annual leave credits to use at your discretion, including 5 credits convertible to cash
- Fun employee engagement activities
- Mentorship and exposure to global leaders and teams
- Career growth opportunities
- Diverse and supportive work environment

The Qualifications We Seek

Required qualifications

- 3 to 5 years of relevant graphic design experience, preferably within the sports industry
- Strong background in sports graphic design, sports marketing, or a related creative environment
- Advanced proficiency in Adobe Photoshop, Illustrator, InDesign, or similar design software
- Working knowledge of Adobe After Effects, Premiere Pro, or similar motion graphics and video editing tools

Nice-to-have qualifications

- Experience creating designs that adhere to brand identity and sponsorship guidelines
- Strong understanding of social media design formats and print production specifications
- Strong written and verbal English communication skills, with the ability to incorporate feedback and revise designs efficiently
